Academic Year :

The Alisons School ‘**crest**’ proudly represents our commitment to ‘Excellence’, ‘Integrity’, and ‘Holistic development’. An **open book**, its pages potentially ajar, depicts the pursuit of knowledge and education. Intertwined **laurel branches**, encompass both achievement and the nurturing of young minds. At the centre, a **star**, with a distinctive design, embodies enlightenment and guidance, illuminating the path for our students. The crest stands as a powerful emblem of our dedication to fostering a brighter future for all children entrusted to our care.

“Fiat Lux” means “Let there be light”

serves as a powerful and symbolic motto

In the context of The Alisons School Crest, it embodies the school's mission to illuminate the minds of students through knowledge and education. This phrase signifies the transformative power of learning, bringing clarity, wisdom, and understanding to those it touches.

By invoking **"Fiat Lux"** the crest highlights the school's dedication to guiding students from darkness to enlightenment, fostering an environment where education is the beacon that leads to a brighter, more informed future.

The phrase **"O' My Lord, advance me in Knowledge, O' My Lord, couch safe me Wisdom, & unite me to the Righteous"** is a profound supplication that emphasizes the pursuit of intellectual and moral growth.

"O' My Lord, advance me in Knowledge"

This plea reflects a deep desire for continuous learning and intellectual advancement. It acknowledges that knowledge is a divine gift and seeks the Lord's assistance in expanding one's understanding and wisdom.

"O' My Lord, grant me Wisdom"

Here, the supplicant requests not just knowledge, but wisdom-the ability to apply knowledge thoughtfully and judiciously. Wisdom is seen as a higher form of understanding that guides ethical and effective decision-making.

"Unite me to the Righteous"

This part of the prayer aspires to moral integrity and the company of virtuous individuals. It seeks alignment with those who are righteous, highlighting the importance of a moral community and the influence of good role models in one's life.

Together, these lines form a comprehensive request for intellectual growth, wise judgment, and ethical companionship, emphasizing a holistic approach to personal development grounded in faith.

PRINCIPAL MESSAGE

***“In school, you're taught a lesson and then given a test,
In life, you're given a test that teaches you a lesson”***

- Tom Bodett

Success comes only to those who take pain to plan and execute their actions. Every small detail, if planned properly, will help one to be successful in life.

The first step towards such meticulous planning is the maintenance of the diary which is in your hands now. It is designed not only to plan and organize your work but also to give all the important particulars that would prove necessary to your parents/guardians.

It is a means to keep the line of communication open between the teachers and parents. So do not forget to bring your diary every day.

A child learns the importance of organizing the everyday activities only at school. This ability will stand him in good stead throughout the life. But planning without action would certainly result in failure.

So my dear students, plan first and then act accordingly. Set a goal and work towards it consistently, with determination. Do not get disheartened by setbacks. Consider them as lessons in disguise. Develop a positive attitude and face life's vicissitudes resolutely. Try to gain the maximum benefit from your school and remember your Alma mater when you reach great heights in life. Learn to be a good student, a good citizen and above all a good human being.

Wishing you all a very successful academic year.....
